

Fibet SG Mounts are the best low-cost solution for a wide range of air movement products. They are designed with high damping capabilities in the medium-high frequency to reduce noise (actual and transient) and vibration levels of any air movement products (including air-conditioning, ventilation & MVHR systems), dramatically improving the local environment for occupants, users and neighbours. The mounts are easy to install and are offered in a wide range of kits which include mounts, nuts & washers to suit any system requirements.

APPLICATIONS

- HVAC Unit
- Small Mobile Equipment
